25th Anniversary - Annual Meeting and covered dish supper

April 1 - We got a new refrigerator to replace the one that was already used when we got it years ago.

We received \$7,500.00 as the first half of the FEMA \$15,000.00 Emergency Food & Shelter Program Grant.

April 15 - Charlotte Presbytery volunteers brought us 1000 lbs. of pasta and 800 pounds of cheese from Campbell soup. We gave some to the Community Shelter and Operation Outreach and are breaking the rest down into 12 cup gallon bags of pasta and 3 cup quart bags of cheese for distribution to our clients.
